

LONG LAKE DISCUSSION MEETING

Monday June 4, 2018

Boone's Long Lake Inn

President Ron Lemcool called the meeting to order at 5:30pm and reminded everyone of the objectives of the Long Lake Association.

President's Message: Lemcool thanked people for joining the LLA, thanked board members for serving, and thanked our partners in caring for our lake. He remembered John Cartwright and mentioned his memorial service. Lemcool presented information on the Universally Accessible Trail project at the Timbers Recreation Area.

Financial Report: Makayla Vitous reviewed financial statements. As of 5/6/2018 income was \$13,343.68, expenses were \$9727.43 and there was a fund balance of \$39,485.28

Committee Reports

Membership: Stephanie Dow reported 848 newsletters were mailed in the spring. 435 members paid in the 2017-2018 fiscal year. To date, 218+ members have paid for the 2018-2019 fiscal year. Membership packets are available. She thanked Stan Giesek for his management of the membership database and thanked Marilyn Niebel for taking it over.

LLA/NMC Internship Program and Water Quality: Len Klein updated everyone on the Internship and Water Quality testing programs and outlined several observations from the 2017 water quality report. Everyone was reminded to wash their boats before launching into Long Lake to protect from zebra mussels.

Lake Management: Jim Wheaton reported on milfoil treatments for 2018. Zero Gravity will do drone mapping of weed beds and provide data for analysis and treatment.

Fishing and Loons: Terry Motley reported loon nesting is 3-4 weeks behind schedule this year. Results from the DNR fish survey are forthcoming. Early fishing has been good. Thanks given to individuals who manage loon nesting platforms.

Island Maintenance: Walt Kraimer gave updates on island docks, restrooms and trails. He thanked Dan Marks for his work on these projects.

Water Safety: Walt Kraimer reported on swimming safety; wake damage, marine patrol and various Michigan boating laws.

Community Affairs: Karen Rosa thanked LLF and LLA for partnering with the township. She gave updates on the new Crescent Shores boat launch and grant

monies received to help with the UA trail at the Timbers property. June 30 is proposed date for fireworks, rain date, July 1. Fire chief Andy Down reported on the number of calls in the township, ISO scores for home insurance and future fire dept. purchases. Millage renewal for fire service up for vote in August.
